Researchers develop tiny windmills that can power your gadgets (video)

January 11, 2014 admin Technology No comments

By Mariella Moon

Portable solar chargers aren't so out of the ordinary anymore, but minuscule windmills that can charge your phones? Now, those are something new. A couple of UT Arlington researchers, Smitha Rao and J.C. Chiao, have developed wind turbines so small ...

By lazyhunk By javabeans Happy new year, folks! Here's the first podcast of 2014. Podcast #19 Running time: 60:43 In which we: Talk about the end of the year reviews and awards; mention possible future meetups or events in the new year (8:55); ...

Dramabeans Podcast #19

By lazyhunk By girlfriday I've been watching weekend series Gold Rainbow since it first premiered in November, mostly because I was excited about UEE and Jung Il-woo doing a drama together. I wasn't excited about the 50-episode length or ...

Gold Rainbow: An Introduction

By lazyhunk By girlfriday Here's a possible new project for Seo In-gook (Master's Sun, Answer Me 1997), who's being courted to headline his second movie after debuting on the big screen with No Breathing. Not bad for a guy who only ...

Seo In-gook recruited to be a gangster

By lazyhunk By girlfriday This show is being rather stingy with the stills, but here's a peek at KBS's new melodrama Full Sun, starring Yoon Kye-sang (Best Love) and Han Ji-hye (I Summon You, Gold), that's getting ready to premiere ...
