Week One

THEME: <i>The Environment</i>								
Monday, June 9	Tuesday, June 10	Wednesday, June 11	Thursday, June 12	Friday, June 13	Saturday, June 14	Sunday, June 15		
<i>UN Intro</i> Students will be introduced to the Model UN challenge. Each small group is assigned a country and must be ready to discuss and resolve issues from that country's point of view.	<i>Bose Movie</i> Students will watch the film <i>End of Suburbia</i> then have House discussions regarding film and a teambuilding activity will follow that relates to sharing resources.	<i>Bose Outdoor Adventure/TGS Big Give</i> What could your students do with \$100 to benefit Denton County? Students will write proposals to be decided upon for future community service projects. Then students head out to help Denton and Keep Denton Beautiful by picking up trash around Denton.	<i>Bose Recycle: Fashion, Art & Film</i> Students will split into 3 groups to create 3 pieces of fashion, 3 pieces of art and a 3 minute film all with recycled material	<i>Frisco Roughriders Baseball Game</i>	<i>Bose Dallas Field Trip</i> Students will tour the Dallas Museum of Art and the Holocaust Museum	<i>Bose City Building Project</i> Each House plans and builds a city out of cardboard and recycled supplies. Students will participate in a water balloon battle and to see who's city stays standing.		
	<i>Curie Recycle: Fashion, Art & Film</i> Students will split into 3 groups to create 3 pieces of fashion, 3 pieces of art and a 3 minute film all with recycled material	<i>Curie Movie</i> Students will watch the film <i>End of Suburbia</i> then have House discussions regarding film and a teambuilding activity will follow that relates to sharing resources.	<i>Curie Outdoor Adventure/TGS Big Give</i> What could your students do with \$100 to benefit Denton County? Students will write proposals to be decided upon for future community service projects. Then students head out to help Denton and Keep Denton Beautiful by picking up trash around Denton.		<i>Curie Research Park Field Day</i> Students will tour Research Park where UNT Engineering students attend classes.	<i>Curie Dallas Field Trip</i> Students will tour the Dallas Museum of Art and the Holocaust Museum		
	<i>Euler Outdoor Adventure/TGS Big Give</i> What could your students do with \$100 to benefit Denton County? Students will write proposals to be decided upon for future community service projects. Then students head out to help Denton and Keep Denton Beautiful by picking up trash around Denton.	<i>Euler Recycle: Fashion, Art & Film</i> Students will split into 3 groups to create 3 pieces of fashion, 3 pieces of art and a 3 minute film all with recycled material.	<i>Euler Movie</i> Students will watch the film <i>End of Suburbia</i> then have House discussions regarding film and a teambuilding activity will follow that relates to sharing resources.		<i>Euler City Building Project</i> Each House plans and builds a city out of cardboard and recycled supplies.
