

EXAM II REVIEW

1394 bus	mobile computer
accounting software	non-volatile
adapter card	online help
application service provider	online print service
application software	optical character recognition (OCR)
arithmetic/logic unit	optical mark recognition (OMR)
ASCII	output device
bold (MS Word)	page layout
byte	pointing stick
comparison operations	query
computer based training	RAM
continuous speech recognition	redo (MS Word)
control unit	resolution
decode instruction	ROM
digital camera	ScreenTip (MS Word)
discrete speech recognition	scroll bar (MS Word)
editing a document	SCSI port
enhanced keyboard	serial port
ergonomic keyboard	set font (MS Word)
execute instruction	sizing handles (MS Word)
expansion card	spreadsheet label
fetch instruction	spreadsheet value
flatbed scanner	spreadsheet function
font	standard toolbar (MS Word)
formatting toolbar (MS Word)	status bar (MS Word)
graphics software	storing
icon	system bus
input device	system unit
insertion point (MS Word)	touch screen
integrated CPU	touchpad
ISA bus	trackball
italic (MS Word)	underline (MS Word)
joystick	undo (MS Word)
kilobyte	USB port
legal software	virus
logical operations	volatile
macro	web based training
margins	what-if analysis
megabyte	window
menu	wordwrap
MIDI port
